To

Prof Aldiouma Guindo

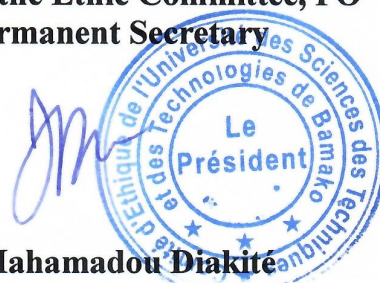

Dear Professor,

I am pleased to inform you that the Ethic Committee of the University of Sciences, Techniques, and Technologies of Bamako definitely approved your recherche project titled: “Improving Sickle Cell Disease Care in Mali through Engagement with a Pan-African Sickle Cell Disease Network”. This decision has been taken based on the proof of all proposed observations made by the ethic committee have been taken by the principal investigator.

This approval is valuable from April 28th of 2021 to April 27th, 2022. It will be renewed after the review of the project annual report.

The Ethic Committee of USTTB wish you a good success in your proposed recherche.
